2017 YEAR IN REVIEW
TOP HIGHLIGHTS

HISTORIC FILIPINOTOWN
- Sponsored the Historic Filipinotown Festival which helped promote civic pride in the community.
- Worked with community-based organizations and businesses to research and employ a pilot program for an Electric Vehicle Car Sharing.
- Worked with Los Angeles Department of Transportation on the installation of a speed feedback sign to encourage a safe reduction in speed on Vendome and Temple Streets.

RAMPART VILLAGE
- Worked with Bureau of Street Lighting (BSL) to install an upgrade to the old incandescent lighting system under the Virgil Avenue underpass.
- Broke ground on the PATH Metro Villas, which will bring 187 affordable and permanent supportive housing to the area. Phase 2 is the first HHH project in the entire city.
- Collaborated with the City’s HOPE Teams to conduct outreach and clean encampment communities in the area.
- Partnered with community groups to preserve and beautify the historic Occidental Rounders, as well as worked with the Department of Transportation to prevent illegal parking.
- Coordinated a meeting with Occidental Studios, FilmLA, and local residents to address parking needs in the community during filming.

WESTLAKE
- Worked with Bureau of Street Services and utilized Metro funding to enhance pedestrian safety near St Vincent Hospital.
- Dispatched the Clean Team on a regular basis to one of the most active areas for illegal dumping in the 13th District.
- Led the Council on a revised parkway parking ordinance to help alleviate the destruction of public right of ways.
